The Three Little Pigs

Once upon a time, there lived three little pigs. One sunny day, they decided to leave home and build houses of their own. The first little pig thought that yellow straw would make a good house. He built the house quickly and he was very pleased with it. The second little pig thought that long sticks would make a fine house. He built the house very quickly and he was very pleased with it. The third pig thought that tough red bricks would make a strong house. It took him a long time to build the house but he was very pleased with it.

One day, a big bad wolf came along. He saw the first little pig in his house of straw. "Little pig, little pig, let me come in," he snarled. "Not by the hair of my chinny, chin, chin!" cried the first little pig. "Then I'll huff and I'll puff and I'll blow your house down!" growled the big bad wolf. So he huffed and

he puffed and he blew the house down! The first little pig escaped and ran to join his brother in the house made of sticks. The big bad wolf followed the little pig to the house made of sticks. "Little pig, little pig, let me come in," he snarled. "Not by the hair of my chinny, chin, chin!" cried the second little pig.

"Then I'll huff and I'll puff and I'll blow your house down!" growled the big bad wolf. So he huffed and he puffed and he blew the house down! The two little pigs escaped and ran to their brother's house made of bricks. The big bad wolf followed the pigs to the house made of bricks. "Little pig, little pig, let me come in," he snarled. "Not by the hair of my chinny, chin, chin!" cried the third little pig. "Then I'll huff and I'll puff and I'll blow your house down!" growled the big bad wolf.

He huffed and he puffed, but the house was too strong. He could not blow it down! This made the big bad wolf very angry. He climbed onto the roof of the house so he could crawl down the tall chimney.

The big bad wolf was in for a big surprise. The third little pig had been cooking a big pot of stew and SPLASH! The wolf fell right into the hot pot!

The wolf was very shocked. He jumped out of the pot and ran straight out of the house. He never came back again. The pigs lived happily ever after in the house made of bricks.
