baby child adult

toddler teenager

Growing Up

My Timeline

Fill in the timeline to show what you looked like when you were a baby, a toddler, what you look like now, and what you think you will look like as an adult.

Write about the different things that you could do when you were a baby, a toddler, what you can do now, and what you will be able to do when you grow up.

Baby

Toddler

Child

Adult

The next activities are based around transition from Year 1 and Year 2. These will help you have conversations with your child about what changes are coming up and allow them to reflect on Year 1. Encourage children to talk about their worries but make sure conversations about the change remain positive and supportive.

My friends are school are...

My favourite thing about school is...

I enjoy learning about...

I am good at...

I would like to get better at...

I am looking forward to....

I would like to learn...
