

Aim

Our aim is to offer a healthy start to the day for every child who attends our Breakfast Club by providing them with a healthy breakfast. This is delivered in a friendly, secure, safe environment. As well as breakfast the children can participate in a range of informal activities that support learning and skills development.

Where is it held?

The Breakfast Club is held in Merton Infant School hall, under the supervision of 3 experienced members of staff,

Who can attend?

The Club is open to children who attend both Merton Infant and Merton Junior Schools.

In the event that we have more children wishing to attend than places available, we will operate a waiting list.

Session Times

The sessions run from 8.00am to 8.45am Monday To Friday, term time only. At the end of each session the children are escorted to their school/classes.

For insurance purposes children should not be left on the playground/porch area unattended prior to the beginning of each session. We would, therefore, ask that parents ensure their child/children are taken to the reception area for registration.

Charges/Payment

The charge per child per session is £4.00. It would be helpful if you could make your payments at the beginning of the week. All payments should be placed in an envelope with your child/children's name and 'Breakfast Club'. All cheques should be made payable to **Merton Infant School**.

Alternatively, you may pay on-line. Please note that if your account runs into debt and is not rectified immediately then your child may lose their place in Breakfast Club.

What do the children eat?

Nutritionists consider breakfast the most important meal of the day. We, therefore, offer the children a variety of healthy food options for breakfast. These include:

- Cereal
- Toast
- Muffins
- Fruit
- Yoghurt
- Croissants
- Fruit Juice
- Milk

Children with special dietary requirements can be catered for providing evidence from a doctor is received.

What the children say

'I like breakfast club because I am allowed to draw cars'

'We eat pancakes, toast and cornflakes. We drink orange juice and help with the washing up'
