

Welcome back! We can't believe this is our last newsletter of the year! We have a busy and exciting half term ahead with lots of activities planned for our topic 'Under the sea'. We will be launching our topic by exploring a real rainbow fish as well as reading the story. We will then be setting up a beach role play area for the children to enjoy. Our topic landing will be a Beach Day on Friday 3rd July. The children can come to school in shorts and t-shirts on this day.

Physical Development

- Multi-skills with a specialist teacher
- Fine Motor skills activities

Expressive Arts and Design

- Music theme is Moving Patterns focussing on **Structure**
- Rainbow fish painting
- Observational drawing of a fish
