

The Titanic

Year 2, Spring 2, 2023

Literacy

- Key text – Grandad's Island by Benji Davies
- Writing a diary entry from the point of view of the main characters in Grandpa's Journey using a range of tenses and adventurous language.
- Using expanded noun phrases to describe a scene from our key text.
- Using own experiences from role playing being a passenger to write a recount.

Maths

- Solving problems involving mass using addition and subtraction.
- Looking at scales of measure using knowledge of multiplication and division.
- Understand graphs and data whilst completing a weather study.
- Using mathematical vocabulary to describe properties of 2D and 3D shapes.
- Solving problems involving money.
- Building confidence in explaining an answer and understanding why.

DT

- Designing and creating a picture frame
- Measuring, cutting, joining and shaping materials
- Finishing a final product by layering decorations.

P.E

Monday and Wednesday

- Invasion games
- Dance

Science

- Identifying and naming different mini beasts/plants and describing how they are suited to different habitats through a longitudinal study.
- Understanding what a plant needs to grow.
- Understanding the life cycle of a plant.

History & Geography

- Researching the timeline of events that led up to the sinking of The Titanic
- Debating the cause and consequence of the sinking of The Titanic
- Identifying similarities and differences in classes of passengers and why they were on board the Titanic.
- Following the route of Titanic – labelling key places

Computing

- Using Bee Bots to plot journeys and record algorithms.
- Understanding how to log on and off a computer.

Music

- Explore pitch and beat through Music Express

RE

- Exploring the Easter Story and understanding how and why Christians celebrate.
- Understanding happy and sad memories.

PDL - Healthy me

- To understand what keeps us healthy
- To understand how to keep ourselves safe
- How to keep calm in difficult situations.

Merton Mission – This can be done at anytime during the half term. You can choose from below or do them all!

Make it: Make your replica of the Titanic. Children can create their models through junk modelling, paper mache etc but these must be no bigger than a shoe box. Bring these into school for our display.

Read it: Find a book which is about a journey.

Do it: Find 5 things in your home that float and 5 things that sink. Can you make a prediction before you test it?

Upload pictures to Google Classroom or bring into class by 24th March
