Lion Fact File

Activity Sheet

Lions live...

Lions survive...

Lions eat...

Science – I can identify what animals eat

Look up some information about herbivores, carnivores and omnivores. What animals can you find to write in the boxes below?

Herbivore	Carnivore	Omnivore
Giraffe	Lion	Dog

Geography – I can identify animal habitats

Think about where the animals from Marwell originally come from. What would their habitat in the wild be like? Write the names of the animals below.

Hot Habitat	Cold Habitat

PSHE - Relationships

I can talk about how to stay safe.

Imagine you and your friends are going a trip to Marwell. What rules might you need to keep everyone safe?

Art

I can sketch a giraffe
