I can identify alternative 'oi' graphemes.

Dear Troy,

I am full of joy today! I have been asked to join my friend on a trip to London! My dad has given me a round coin to buy a toy in the shop.

I hope we don't annoy the boy tiger by pointing.

Enjoy your holiday.

Love Roy

I can identify alternative 'or' graphemes.

Dear Paul

In August I saw a rhino at the zoo. I liked his pointy horn. The rain was awful like it is in autumn but I had a nice prawn salad for lunch with tomato sauce. I dropped my fork on the floor and had to crawl under the chair to pick it up. It caused everyone to laugh!

I hope you cat's paw is feeling better and it is not too sore.

Love Lorna

nk: This is a consonant cluster used in the middle and at the end of words,
ve: English words hardly ever end with the letter v, so if the word ends with a v sound, the letter e needs to be added.
