7th June 2024

Dear Parents / Carers,

We have planned our sports day on **Friday 21st June at 10.30am – 12.00am** on the school field. The children will participate in competitive races on the running track on the top field followed by a carousel of athletic activities on the bottom field.

Due to Health & Safety advice your child will **not** be able to participate in sports day if they are wearing earrings. Please ensure earrings are **removed** and long hair is tied back.

Each child has been assigned a house colour to wear and you have already been notified of this. **Please can you provide your child with the correct house colour t-shirt.** If you have pre-ordered a t-shirt from the school you will have received them in advance of sports day. Please ensure your child arrives at school already dressed in their PE kit (coloured t-shirt, shorts and suitable trainers or plimsolls) and a named water bottle in order to participate in the activities. Named sun hats and the application of suncream before school is also essential.

Your child's house colour is circled below. Please ensure your child is wearing this coloured t-shirt.

Red **Yellow** **Green** **Blue**

At 11.55am all children will return to their class for a toilet stop and collect their lunches, if necessary. You can collect your child from their external doors to start the family picnic at 12.00pm on the top field.

At 12.55pm the whistle will be blown and **all** children will line up on the playground to return to class at 1.00pm.

Please could you complete the form below indicating whether your child will be:-

- a) having a school lunch
- b) bringing their own packed lunch to school or
- c) you will bring their lunch with you

If your child has a junior sibling and you would like them to join you for a picnic, you will need to notify the junior school office of your intention in order that they may be released from their class.

Thank you for your continuing support and we look forward to seeing you all soon.

Yours sincerely,

Larissa James
